## “Safeguards Against Embezzlement”

**Wednesday, October 3, 2018**

### Program Description

Statistics show 6 out of ten doctors have been embezzled. This seminar is designed to discuss the warning signs and prevention of embezzlement and how to avoid becoming a statistic. *Open to doctors and/or practice owners only.*

### Learning Objectives

- ◆ Why it isn't just a white collar crime anymore
- ◆ How to make sure your “guard” is up
- ◆ Why embezzlers look like ideal employees
- ◆ How to handle the aftermath
- ◆ 10 warning signs not to ignore
- ◆ Your typical thief has 5 or more years of seniority

**Speaker** Theresa Narantic, BS, ADMC, AADOM, SCN has been in dentistry over 35 years growing dental businesses and dental teams. An expert in efficiency, she has worked successfully to begin practices from scratch, start-up, transition and assisted with acquisitions. Theresa shares her understanding in all areas of management and leadership in general dentistry and specialty.

In 2003, Theresa began her own business which focused on guiding Doctors to improving productivity and profitability which has been key to seeing their business flourish. Marketing, team training, treatment presentation and hygiene development are some of the areas she has successfully helped dental practices initiate and strengthen within their businesses.

Throughout her career, she has been a senior consultant for a national firm, the consulting partner at a dental specific accounting firm in Chicago and the owner of Theresa Narantic, Inc.

In 2006, Theresa was sponsored into the Academy of Dental Management Consultants by Dr. Paul Homoly where she joined a field of members of distinction and had previously been on the Board of Directors. Theresa is also a member of AADOM--American Association of Dental Office Managers and an active member of SCN, Speaker Consulting Network since 2011. In addition to consulting, she writes, speaks and presents in webinar formats for many organizations.
