Theresa Narantic's Presentations

All of Theresa’s presentations can be customized to fit your event needs.

From Start Up to Build Up
Start laying down the strong business foundations that will build up your practice into a flourishing success. Examine what works and how to magnify results with a proactive approach.

Yes, Yes, Yes to Treatment Acceptance
Ignite your patients’ passion for oral health and keep them coming back through your door! Discover how minor adjustments lead to maximum efficiencies. Start ending every appointment with, “Yes, Yes, Yes! When do we start?”

Dominant Thoughts Drive Resulting
Our thoughts are more than fleeting ideas. They are the glue that make up our world. We have control over our dominant thoughts. Learn how to change your inner thought to create positive and proactive, calculated outcomes.

Safeguards Against Embezzlement
Many speakers talk about embezzlement and yet practice embezzlement appears to be at all-time highs. Have your eyes opened to all the dangers that can lurk in a practice and how to safeguard against them.

Bottom Line Scheduling
Learn effective scheduling applications to optimize efficiency in your practice. From calculating realistic production goals to establishing clear team communication, leave this course with actionable items to grow your bottom line.

Theresa Narantic's Workshops

All of Theresa’s workshops can be customized to fit your event needs.

Team Building workshop
Learn to approach each day as a unified force by establishing clear objectives for yourself and your team.

Conquering Hygiene Production Goals
A half or full day immersive workshop that walks attendees through proven strategies for increasing hygiene production.
